

ORTHOPEDIC SUPPORTS

For Pediatrics / Youth

Anatomically Correct Designs for Kids ...Our designs are based on actual anthropometric data from children – not just scaled down adult products. See inside page for more details.

FOR RETAIL/HME DEALERS

Microban® Wrist Splint

- Soft, breathable foam for comfort
- Microban® Anti-Microbial Protection for a fresher, more hygienic product
- Palmar/dorsal stays immobilize and support the wrist, prevent extension and flexion
- Low contour at palmar crease allows for full finger dexterity
- Simple hook and loop closures

Indications:

- Sprains • Strains • After Cast Removal

Order # (Right)	Order # (Left)	Size	Approx. Age	Wrist Circumference
